From The

President's Desk

As we approach this holiday season, I want to reflect on the joy and warmth this time of

year brings. Please reach out to a neighbor and wish them a happy holiday...help someone bring up their garbage car. Is baking your specialty? I am sure someone would enjoy a little sweet treat. I encourage you to simply embrace the spirit of this time of year.

This year has been filled with some challenges and some triumphs. As always, we are grateful for the support, community spirit and encouragement you've shown. Together, we have created great memories. We hope you enjoyed some of the programs offered this year or just came by for a cup of coffee...thank you for being a part of our community.

Wishing you a 2025, filled with health, hope, and prosperity,

Maria Brush

Dues Assessments

The fourth quarter payment for 2024 dues is due on October 1st. A late fee of \$15 will be added to your account on the 1st of each month if dues are not paid on time. Association dues assessments are payable on or before the first day of a given quarter. To ensure that your dues payments are posted correctly, your payment must be accompanied by a dues coupon containing all of the required information. Be sure your information is legible. Payments may be sent to the Clubhouse by mail, brought to the Treasurer's office or placed in the dues box on the main floor of the Clubhouse. **Dues coupons are available at the Clubhouse and are published in The Sentinel.**

As a homeowner, your obligation to pay dues continues as long as you own your home and it is the homeowner's obligation to pay dues for renters. Individuals residing in your home with you on a permanent basis ("permanent" defined as a stay of more than 90 days) must be 19 years of age or older and are obligated to abide by the Association's governing documents. Also, remember, if you own more than one home, each property is subject to dues.

Message From The
**TREASURER'S
 OFFICE**

Dear Residents:

Warm days and cool nights that's the story for November. But what's in store for us in December?

I pray that everyone had a great Thanksgiving with family and friends and now is the time to get the shopping done for the food and the gifts for the

holidays. It's also time to get your finances in order before the year end. Get those receipts organized because the tax man is watching. It's also your last chance to catch up on your dues account for the year before we assess any late fees on overdue accounts. If you have any question about the status of your HOA dues account, please call the office and ask for Me or Anna Marie and we will answer your questions.

The Treasurer's office is open daily (except Sunday) from 10:00 am until 1:00 pm for your convenience. In addition, I will also be available by appointment after normal office hours. This applies to the Treasurer's office only and does not include the main office.

*Yours truly,
 Jim Conway*

VICE PRESIDENT'S OFFICE

Hello All,

It's amazing the holidays are upon us. By the time you read this, Thanksgiving will have passed us by. This is the time of year for celebration and family gatherings. It is also the time of year to give thanks to those around us. I would like to express my thanks and gratitude to ALL the individuals that volunteer their time to keep the SRPW HOA up and running. There are too many to name, but without their dedication, the HOA and the services and activities provided to our residents would not happen.

We will all be making our New Years resolutions soon and hoping to achieve them. I have one that I hope you will consider, being a volunteer at the HOA. As we have a number of volunteers, we can always use more. There are several Trustee positions open, the Alternate Dispute Resolution (ADR) committee needs members, as does Codes and most of the others. Any amount of time you can give will be greatly appreciated.

TRUSTEE BUSINESS MEETING

October 14, 2024, AGENDA

Call to Order: Time 6:00 PM

Pledge of Allegiance: Led by Rich Laird

Opening Prayer: Led by Pat Lima

Roll Call: President – Absent, Vice President – Rich Laird, Secretary – Susan Stier, Treasure – Jim Conway, Section 4 – Ed Menzenbach, Section 5 – MaryBeth McGill, Section 6 – Absent, Section 8 – Esther Perez, Section 9 – Shirleyan Emmons, Section 10 – Tom Kalinowski, Section 11 – John Fegan. We have a quorum

Procedural Rules: Posted. Read into the minutes by Richard Laird. This meeting is held in accordance with the SRPW Governing Documents and Roberts Rules of Order, 12th Edition, and is being recorded. Notice of this meeting was announced in the Sentinel and in the Asbury Park Press.

Minutes of Preceding Meeting: Minutes of September 16, 2024 Trustees Business Meeting – 1st Susan Stier, 2nd MaryBeth McGill – Vote 9 – 0. Motion Passes.

NEW BUSINESS:

President's Report

HOPA update – Big increase 45% of the Population, still need to go higher. We have individuals going door to door. Esther to thank Sal and Lorraine for doing a crazy formidable job. They are having residents fill out the forms, taking photos of drivers licenses, then we print them out and they are then deleted immediately from the phones. We were at 13% when they started and are now at 45%. GREAT JOB! We still need to be at 80%, it is a federal thing.

Harassment Vote – We need to institute a Harassment policy. On a daily basis someone is getting chastised, cussed at, screamed at either on the phone or in person. VP went out with Tree Vendor and got screamed at. It's sad that we must do this, but we have had a few altercations where the police were almost called to escort people out of the clubhouse. Paid or volunteer, you should not have to put up with being yelled at. This policy will be sent out to all residents as well as put in the Sentinel this way no resident can say they did not get it. If residents do not follow, they could be banned from the clubhouse. Motion 1st Esther Perez, 2nd John Fegan. All signed the policy, vote 9 – 0.

Trailer Update: no update at this time.

Robo Can update: Robo cans are coming. Rich said he thinks they are great. It will save Berkeley Township over 300K in workman's comp cases. The guys are getting hurt when riding on the back of the truck. We had invited Mayor Bacchione to our 11/11 meeting, however he is unable to attend and Shawn Thomas Direction of Sanitation and Recycling will attend. Brief overview: The township will provide each resident with 2 Cans (1 Recycling and 1 for regular garbage) for **FREE**. Before the cans are distributed residents can select either a 65 gallon or a 95 gallon. Residents that are disabled and cannot move their cans to the street can request through the town to have their cans taken from their garage to the street and returned to their garage. All you will need is a doctor's note. As for bulk pickup, that will be done by appointment and Shawn will explain further. You will not be able to use your regular cans as the 1 driver will NOT get out of the truck to pick up NON-Robo cans. Leaves and brush will be the same. Separate truck for bulk pickup.

Voting machine's here: the voting machines will be delivered on 10/28. Voting will be open for SRPW residents from 6:00 AM to 8:00 PM on November 5th and the clubhouse will be closed.

Vice President Report:

Community maintenance update: We have done a few more neighborhoods. The 200 Block of Westbrook,

Basset and Whitmore and behind Rutland as well as Pembroke. We do NOT trim trees. We only take care of ONLY DEAD trees in the common area, but we have an Arborist come out first to determine if the tree is sick or dead.

Clubhouse Security: We received a quote to set up security around the Clubhouse. We are having people taking pictures of cars here late at night and early in the morning. We have had a few incidents where the President had found people in the back parking lot that were doing a possible drug deal. The quote for cameras all around the building, infrared and motion detectors upstairs and downstairs a quote from ADT for \$1600 for setup and \$40 per month. We will be getting additional quotes. We would most like to go with ADT, but we will review and discuss additional quotes. Up to 4 people will be notified if any of alarms go off and if no one responds ADT will call the police.

Secretary's Report:

Newsletter / website update: Sentinel is coming along nicely. I have not had a chance to work on the website but that should be coming shortly.

Correspondence: No new correspondence for this month

Gala: Ticket sales are a little slow based on the way Social Security checks are distributed. We think it will pick up and last day to buy tickets was 10/28. We have had a good number of ads, well wishes, and boosters submitted. I worked with Maria to get the details of the rest of the book.

Treasurer's report:

Treasurer's report: We collected 9K in dues from a resident who wanted to sell their house, it was a flipper who had violations, etc. We are \$226,211 about 31K over where we thought we would be at this time. We are in very good shape to hit our target of \$260K. Tree service was \$26,341 without today's bill. Leaving 18K but we will utilize the rest of that budget. For a variety of reasons, we have held tight to the budget. We collected 6 house sales and \$1,200 in lease renewals. On a year-to-date basis we have collected \$45,750 on house sales and \$5,900 on lease renewal and new leases. List of new residents to be given to Susan for Sentinel. – Motion Esther, 2nd MaryBeth vote 9-0.

2025 Budget Update: Now that the financials are finished through September, we can begin to plan the 2025 Budget. This is the 4th year that the budget has been \$240 for the year. We anticipate an increase in 2025, however based on our Bylaws we cannot increase the budget more than 20%. We are NOT going to increase to \$300, \$500 or \$1000, it may go up to \$250 or \$260 for next year. The budget will be reviewed line by line and it's a very arduous process. Budgets will be mailed to every resident and will be put in the December Sentinel. The budget will be voted on in the December Meeting. You will have 2 or 3 weeks to review the budget, once we know where the budget net out, we will then advise what the increase in dues will be.

Trustee Reports:

Section 1:

Section 2:

Section 3:

Section 4: Ed Menzenbach – One resident of Northumberland that didn't like a political sign on her neighbor's lawn. 2nd resident asked why we don't put election info in the Sentinel, said we don't do politics. 3rd resident, a guy in a hoodie went around Bolingbroke Ct and stole a resident's tomatoes.

Section 5: Mary Beth McGill – All Good.

Section 6: Brian Kochera - Absent

Section 7:

Section 8: Esther Perez – Dues collection and HOPA forms and no complaints

Section 9: Shirleyann Emmons – all quiet

Section 10: Tom Kalinowski – Resident called about a deer dying in their backyard and they have to call Animal Control or the Police Department.

Section 11: John Fegan – All good.

Committees Reports:

Architectural Control/ Codes: James Conway: Any residents who've submitted documentation will have their forms back shortly.

ADR: Michelle McCreary /Jim Eagan/Barbara Paddalero – we need volunteers we need at least two alternates. Flyer will be placed in Sentinel to try and recruit volunteers. We have an ADR where a committee member knows the person and must recuse himself and we need at least 3 people. We cannot have Trustee or Board Members has that is a conflict of interest.

Common Grounds and Forestry: James Conway – The committee has been out and about and has done light maintenance. A write-up will be in the November Sentinel. If you would like to help, we will take volunteers. If a resident is willing to help the committee, they are willing to help clean up a residential property.

Compliance: Jim Conway – about 20 hours are for sale. Each of these allows us to collect back dues and new resident fees which help us to reach out capital contribution. Next meeting we will be completing the Reserve Study. If we have a catastrophic event in the building this may in turn cause a special assessment. As these houses turn over, we get \$1000 per home, in the case of a flipper we get \$1000 at purchase and if they sell in a year, we get another \$1000 from the new buyer.

Food Bank: Vivian Evanchik – not in attendance

Health and Welfare: Pat Murray / Susan Stier-Driscoll – Doggie Palooza 2.0 to be held on the 19th was a huge success. The bake sale was a success and raised \$97.00.

HOA: October 27th is our movie afternoon we will be showing Hocus Pocus tickets are still available at \$10, and they include Burger, Root Beer, French Fries, Drink, Popcorn, Candy or Cake. December 7th will be the tree light at 3:00 PM and will include the Wrinkle Revue and dinner. A Surprise that no one knows about is as we are enjoying dinner we will be showing the movie White Christmas.

Neighborhood Watch: Virginia Sansone/Vicki Rosko – not in attendance. However Rich Laird received a call along with the Police about a resident and that is being investigated, this is a particular property and that has been taken care of.

Courtesy Reports: (from the following non-affiliated organizations who provide activities for members of our community):

Women's Club: Denise Kalinowski – Women's Club meeting is November 6th with a speaker, an attorney, who will speak about, as you get older you should have certain documents complete, i.e. Power of Attorney and will discuss the Law. This meeting will be at 1PM. The Women's and Men's Club will be sponsoring New Years Eve on both the upstairs and downstairs levels. We will have dinner, dancing and DJ (DJ Anthony – Picnic), a Chinese Buffet will be served, downstairs will have cards, pool, shuffleboard, etc. There should be something for everyone to enjoy.

Men's Club: Tom Kalinowski – I was going to say what my wife just said. The Men's Club meeting is Wednesday, and lunch will be served. We will host a Veteran's Pancake breakfast on 11/7 from 10 to 12.

Event Club: Virginia Sansone – Tricky Tray 11/23 and I believe tickets are still available.

Request a motion to adjourn the meeting.

Adjourn: Time _6:47PM – Motion to Adjourn – Esther, 2nd – MaryBeth – Vote 9 to 0.

How to Make a Fish Bowl Snowman

The holiday season is upon us, and with it comes the always fun task of taking the Christmas decoration boxes out of storage and decking the halls. But there's always room for one more DIY decoration—especially if it's as cute as this one. This is a craft that is guaranteed to have your friends and family members asking how you pulled it off. I saw this idea awhile ago on Pinterest and really wanted to give it a try!

Supplies:

- 3 Different-sized fish bowls that stack. I got these at Michael's, but I've seen smaller versions at the dollar store.
- Snow village pieces decorations
- 1 Bag of fake snow
- 2 Sheets of black craft foam
- Scissors
- Christmas ribbon for around the snowman's top hat
- Glue gun

Instructions:

Arrange your various snow village pieces to make a special scene! I found a small house at Michaels, so I placed a flameless candle inside of it. I absolutely LOVE the warmth it gives to our fish bowl snowman. Plus, it's so gorgeous at night. Well, I might keep it on during the day too:) I can't get enough!

Source: <https://www.smartschoolhouse.com/diy-crafts/fish-bowl-snowman>

Isn't that fun? It looks so pretty in person and really adds charm to any indoor holiday decor. Winter craft projects are the best as you can involve the entire family and prepare together for the jolliest time of the year. So if you're looking for a new winter decor this idea, make a fish bowl snowman. The nicest part is that you can build a small Christmas scenery in each bowl and then stack one on top of the other, creating an entire story. Don't forget to ask for help from your friends or family!

The holiday shopping season is about to kick off, which means more people will shop online – and scammers will be out in full force.

With more people shopping online comes more potential scams. Cybersecurity experts say this is primetime for scam artists to go after your information.

One of the ways they do it is the “card declined” scam. If you buy something online and get an error or a “card declined” message, knowing you have the funds, you’ll want to check right away if the charge went through.

Scammers are hoping you enter another card so they can take your information.

The Better Business Bureau hasn't received any reports of this scam just yet, it's something to watch out for, especially online.

“Scammers are getting crafty, using high-quality images duping you into believing that this is legitimate product that you're looking for,” said Austin Calabaza, the community outreach liaison for the BBB.

Calabaza added that other scams include misleading social media ads promoting a free trial or claiming to support a charity.

There are also fake toll collection texts. If you're driving a long distance, scammers will send a message saying you owe a road toll fee. Then, they'll provide a link for you to make a payment.

Another one is fake shipping notifications, which you may have seen.

“They might get the tracking information and then the link may not be active or the product never shipped or they keep saying, ‘it's our busy season... we're just running a little bit behind’ and they never get the product,” Calabaza said.

Here is what to look for if you're buying something name-brand or designer:

- Get products directly from the brand's website
- Look for the lock at the top of the search bar
- Look at the domain name to see if it changes
- Use a credit card for your purchase

According to Calabaza, scammers have snagged more than \$1.1 million just this year.

EMERGENCY CONTACT FORM

Life changes. As your needs change, you may change a will, create powers of attorney and deal with other legal issues. One thing you may forget to do is notify this Homeowners' Association of changes to your emergency contact information. It is essential that you advise the office of changes in persons or phone numbers to be contacted in case you experience an emergency. An emergency could include a fall in your home, a fire, a late-night pick-up by an ambulance. When authorities, such as police, firemen, and ambulance workers contact the Clubhouse because they need to contact people on your behalf, it is important that the information stored at the Clubhouse is up to date. So, please, if you are not sure if your information is up to date, err on the safe side and complete the Emergency Contact Form on page 43 of this Sentinel. You can mail it to us, drop it in the door slot, or pay us a personal visit.

SUNSHINE

Dear Neighbors,

Esther Perez and Vivian Evanchik have volunteered to provide "sunshine" to our community by sending cards to families on behalf of our association. If you know of anyone who has been hospitalized, is ill, has lost a family member, or is simply in need of a little sunshine, please call the office at 732-244-1484 ext. 613. The Sunshine team will, on behalf of all of the homeowners in SRPW, send an appropriate card that will brighten someone's day. Thank you.

Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

PLACING THE TREE

- Before placing the tree in the stand, cut 2" from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

LIGHTING THE TREE

- Use lights that are listed by a qualified testing laboratory. Some lights are only for indoor or outdoor use.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

FACTS

- ! **Almost one third** of home Christmas tree fires are caused by electrical problems.
- ! Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.
- ! A heat source too close to the tree causes more than **one in every five** of the fires.
